

GoFibre Wholesale Product List

- GoFibre Wholesale products are available on our public funded network. Once RSP's are onboarded, regular updates will be provided on premise & passive infrastructure availability by our Wholesale Relationship Manager.
- All Products & Prices will be benchmarked on an annual basis
- All Prices quoted are monthly costs & are exclusive of and subject to VAT

- **Non-Standard Installations** – GoFibre will notify the RSP of any additional charges prior to Installation following a survey.
- **Early Termination** - Should an RSP wish to terminate within the minimum term, Early Termination Charges will apply (respective monthly charge multiplied by length of term remaining).
