

GoFibre Wholesale Reference Offer

- GoFibre Wholesale products are available on our public funded network.
- Once RSP's are onboarded, regular updates will be provided on premise & passive infrastructure availability by our Wholesale Relationship Manager.
- GoFibre's Wholesale Services Contract is issued to RSP's as part of the onboarding process
- All Products & Prices will be benchmarked on an annual basis
- All Prices quoted are monthly costs & are exclusive of and subject to VAT

Non-Standard Installations – GoFibre will notify the RSP of any additional charges prior to Installation following a survey.

Early Termination - Should an RSP wish to terminate within the minimum term, Early Termination Charges will apply (respective monthly charge multiplied by length of term remaining).
